

Old Town Predator PDL – Pedal Powered Fishing Kayak

Introducing the most advanced pedal powered fishing machine of its kind. It gets you to the spot fast, and keeps you on the spot without paddling. With forward, reverse and agile manoeuvrability, you'll experience precise boat control while your hands remain free to focus on fishing. The removable pedal drive installs in seconds and tips up instantly for shallow water docking. The Predator PDL's specially-designed hull combines the perfect balance of smooth pedal stroke speed and stand-up stability.
