

M1 DEEP 6

DIVE INTO A NEW DIMENSION

DIVE / WATERSPORTS

The latest addition to our top-selling M1 Series responds to a growing number of requests for an "oversize" dive/watersports watch at an affordable price. While oversized watches are a strong fashion trend, we remain true to our reputation and put function first. A new dial design and huge, "exploding" date ensure unmatched legibility, while the subtlyshaped case and offset crown permit the M1 DEEP 6 to offer unparalleled comfort, combined with an X-L, 47.5mm case.

Une montre à couper le souffle. La nouvelle M1 DEEP 6, avec son boîtier "X-L" (47,5mm), ne manquera pas de se faire remarquée. Voici une montre étanche "grand-diamètre", mais à un prix abordable. Comme toujours, la fonction garde une importance primordiale. Le nouveau design du cadran et la grande date "explosante" assurent une lisibilité parfaite. La forme subtile du boîtier, avec la couronne à 4 heures, combinent pour permettre un confort inattendu au poignet.
