

## ***Amundson TR 11'6" Tour & Race Board***

*The 11'6" TR is the smallest board in the TR series. It shares the same shape as the 11'6" TR-X, which is 29" wide with 203 liters of volume. TR boards are fast and stable shapes that excel in all paddling environments where effortless speed and a smooth ride is desired for touring or fitness. The sleek nose is slightly upturned with a rounded underwater shape that keeps the board riding high and dry above on-coming chop. The raised foredeck sheds water, and the recessed cockpit keeps your center of gravity low, while making for a comfortable standing area. The 11'6" TR is built in our Rhino-Lite technology, the best combination of weight and durability on the market.*

### *Product Specifications*

*Size (inches): 11'6" x 29" x 5.7" - Size (cm): 350 cm x 74 cm x 14 cm - Weight: 28.5 lbs. (12.95 kg) - Volume: 203 liters*

*Max Novice Weight: 170 lbs - Max Advanced Weight: 200 lbs.*
