Compact Pony SPG

PRODUCTS

331-PG01-AA Pony Gauge

- Extremely Compact
- Screws into any Scuba HP Port
- Pressure-at-a-glance
- Rugged
- Helps keep your Pony Bottle Rig Neat, Organized and Simple

Clean and Simple

- Sometimes a standard submersible pressure gauge with its large dial, extra weight and long hose is too much for the job. If you want to get a quick idea of how much air is in a cylinder and you don't want to deal with the tangle that longer hoses can present, then a Zeagle Pony Gauge is the answer. Perfect for Pony Bottles, Hang Bottles and even a tank/regulator used for shop air.

Dimensions

- 1.25" Overall Length
- Only 7/8" extends from the regulator
- Dial 1" diameter
- Weight 1.6 oz
