Now you can purchase a sleek set of gloss black Sinister 509 goggles that come pre-installed with a plain yellow lens! No longer do you have to purchase your yellow lens separately!

2012 GOGGLE STYLES

BLACK OPS POLARIZED

**MATCHING
HELMET**

The SINISTER BLACK OPS, is our best selling goggle of all time!. And for good reason. It was the first 509 goggle that comes standard with a polarized smoke lens. This special edition model features a new matte black frame color, 509 metal badge on the strap, and of course a smoke tint polarized lens. Retail is \$99.95, saving you \$15 off buying a polarized lens and Sinister goggles separately.

WHITEOUT BLACK POLARIZED

The Whiteout Black Polarized goggles, feature a polarized yellow lens. This lens is GREAT for nearly all weather conditions. It's our lens of choice in the backcountry.

WHITEOUT WHITE POLARIZED

The Whiteout White Polarized goggles, feature a polarized yellow lens. This lens is GREAT for nearly all weather conditions. It's our lens of choice in the backcountry.
