

Aquaglide Chinook XP Tandem XL - Inflatable Kayak

A stable, efficient hull form, the Chinook Series offers plenty of cockpit space and our proprietary XP floor™ Technology for outstanding value and excellent paddling performance. The floor construction uses an inflatable chamber with Aquaglide proprietary X-beam to produce a stiff, durable PVC beam floor while the Duratex™ hull material is blended with rugged 600d polyester for long-life and UV protection. Multiple accessory straps allow for gear and easy stowage while sturdy molded handles around the entire kayak provide for easy carry. The finishing touch includes our Comfortable Core™ seats that include a high backrest, mesh storage pocket, integrated fishing-rod holders, forward-only seat straps and an infinite adjustment system for convenience. The fin system includes a unique quick-release for easy setup plus a storage bag.
