

Maui-2™ SUP / Surfboard Carrier

SKU#: MPG119M

Warranty: Lifetime

The Maui-2™ is the lowest priced hard rack SUP carrier in the industry. It comes with two-board transport capacity and the Malone Lifetime Warranty that ensures years of satisfied performance.

Each carrier is constructed with injection molded nylon and thermoformed rubber for a total corrosion resistant product. The self-adjusting saddles can align with any board profile and the high grip surface confidently hold the boards in place for any distance or condition.

Each system comes with mounting hardware, load straps and universal fit hardware for round, square and factory oval load bars.

Features:

- Self-adjusting high grip saddles fit all boards
- Corrosion resistant components for long life
- Universal fit for round, square and factory oval load bars
- Heavy duty load straps and mounting hardware
- 22" spacer pads for stacking multiple boards without damage
- "No tools required" mounting hardware
- Lifetime warranty
