Warranty: Lifetime

The SeaWing™ Stinger™ Combo is the most versatile and affordable carrier / loader system available in the market today. It doesn't get any easier than this to get out and enjoy your kayak.

Features:

- Sliding padded V-block extends 22" behind the carrier to secure, align and hold the kayak in place during loading
- Padded frame protects kayak and vehicle and eliminates any contact during loading
- Loading frame easily retracts back under carrier during transport
- Combo system has all the bottom down carrier features of the SeaWing including roof space for transporting two kayaks
- Universal Fit JAWZ Mounting Hardware works with Round, Square and Most Factory Oval Cross Rails
- Can assemble or transfer to another vehicle in minutes with "No Tools Required"
- Corrosion Free and UV Resistant
- Cam Style Load Straps with Buckle Protectors
- 70mm Pre-coated mounting bolts (larger bolts available for purchase if needed)

Specifications:

- Capacity: 70 lb / 32" Wide Kayak
- Dimensions: 27.5"(length) x 6"(width) x 4.5"(height)
- Frame: Corrosion Proof Polycarbon
- Padding: Ribbed Synthetic Rubber
