

Rotomolded Kayaks – Baffin P2

Baffin P2 kayak is built for the rigors of rough sea state and paddlers of intermediate to expert skill level. Its unique hull design provides paddlers with a lively boat yet stable compared to other performance kayaks. With the high quality plastic used in construction the PE kayak is very durable for rocky landings and or playing in those rock gardens. Paddlers up to 250 will possibly fit into this versatile platform. The P2 comes with a full compliment of deck rigging and comfortably outfitted cockpit.
