

## Coiled Paddle Leash

*Protect yourself, your paddle, and your kayaking trip with a coiled paddle leash. This deluxe paddle leash allows you to free up both hands when needed without the chance of losing a paddle. The high-quality coil stretches from 1.5 to 5.5 ft. and snaps back to its original shape losing elasticity. The snap hook clips securely on to a deck line, while 1.5" webbing with hook and loop securely wrap around the paddle shaft. Stainless steel swivels on both ends eliminate twisting and help ensure the product's long life. Never loose your paddle, and be ready for any rescue situation.*
