

DryVIBE Bluetooth Waterproof Speaker

DryVIBES is a compact yet powerful waterproof Bluetooth speaker system that allows you to connect to your play lists while hanging by the pool or in the shower. Use the attached suction cup to mount the speaker to the front of your paddle board, to the windshield of your boat, or your bike's handle bars. DryVIBES also features a built-in waterproof microphone that doubles as a speakerphone, so you can take or make calls without ever touching your phone.
