

Zeagle 65lb Doughnut Bladder Assembly

A larger version of our doughnut bladder assembly with a 65 lb lift replaceable inner bladder protected by a durable Corduroy bladder cover. Bungee cords on the exterior of the cover keep the bladder tight and streamlined. Capable of mounting onto nearly any metal back-plate in single tank or double tank configurations.

Product Specifications

65lb lift 15 mil urethane inner bladder - Corduroy outer bag 27" x 21" x 3" approximately - Bungee re-tractors - Two bottom dump valves - Airway connection at the top left with an abrasion resistant sleeve for protection.
