

## ***Zeagle Ranger Junior BC***

*The Ranger Jr is a quality BC made specifically for children. Using the same rugged construction as the legendary Ranger BC, the Ranger Jr utilizes our Personal Fit System to let you change out specific sections. The waist panel can be adjusted out to add several inches of growth room in the waist area and the shoulder section can be replaced. Combined with the same quality in material and construction, this flexibility ensures this BC will last for many years.*
