

Zeagle Retractable HD Nylon Bladder Assembly

Similar in construction to the bladder found on our popular Stiletto and LaZer BCs, the Retractable HD Nylon bladder assembly includes stainless steel grommets positioned 11" apart for mounting onto metal back-plates as well as Zeagle BCs.

Product Specifications

*35 lb lift capacity - Single bag construction - Bungee re-tractors - 11" spaced stainless steel grommets for mounting onto metal back-plates
- Two lower dump valves.*
