

Zeagle Single Bag Bladder Assembly

Streamlined, single bag bladder assemblies can be found on many of our Recreational and Travel BCs but you can also purchase the bladders separately to add to a back-plate, replace a damaged bladder, or to change the lift capacity of a stock Zeagle BC. Each bladder uses bungee cord retractors to keep the bladder tight and the exterior is a durable 1000 denier nylon to protect against the usual bumps and scratches. 24lb Heavy Duty Bag-less Bladder style (p/n 7033HD optional, not standard on any current BC). 35lb Heavy Duty Bag-less Bladder style (p/n 7030HD standard on the Stiletto and LaZer BC). 44lb Heavy Duty Bag-less Bladder style (p/n 7035HD optional, not standard on any current BC).
