

## ***Zeagle Envoy Razor Regulator***

*A combination 1st stage and tank valve perfect for pony bottles. This regulator has a Flow-by Piston style 1st stage with design features that allow direct airflow through the 1st stage. The 2nd stage is a balanced orifice design. This 1st Stage sits direct atop a Tank Valve section that threads into any standard 3/4-14 NPSM Scuba Cylinder. This combination saves space and increases efficiency. Comes with a filling adaptor that allows to fill its tank using a standard Yoke Filling Whip.*

### *Product Specifications*

*350-6240 Envoy RaZor w/ 48" hose and fill adaptor - 350-6245 Envoy RaZor w/ 36" hose and trans-filler - 350-6250 Envoy RaZor w/ 36" hose and fill adaptor.
