

Old Town Heron Jr. Kayak

Kids, this is your boat. And what a performer! We designed Jr. to be nimble and manoeuvrable for the smaller paddler. Extremely efficient for its size, this lightweight kayak glides well and tracks straight. You'll also find plenty of stability for those family splash fights. Of course small arms can get tired after all of that paddling and splashing, so we also included our innovative Tag Along Tow System, making it easy to tow 'em to shore if need be.

Product Specifications
