

## **Old Town Twin Heron Angler Kayak**

*The Twin Heron is a truly unique tandem kayak. Featuring the innovative Auto Trim Hull, the Twin Heron performs well when paddled solo. The Auto Trim Hull is designed to prevent the bow from popping up when someone is seated solo in the stern seat. And, if that's not enough, you can completely remove the front seat making it perfect for your dog to ride along or easy access to your hunting or fishing gear. The Twin Heron is a great option for the outdoors family looking for a versatile craft.*
