

Amundson TR-T 14 - Tour & Race Board

The 14'0" TR-T is for the biggest paddlers on the beach. Extra width and volume gives them a TR board that fits them properly, so they can enjoy extended paddling sessions without compromising any performance. At 29 ½ inches wide and 304 liters of volume, the dimensions and rocker-line have been adjusted to trim out properly with higher weights, so the target paddler can really feel the difference.
