

Aquaglide Columbia XP Two - Inflatable Tandem Kayak

The Columbia Series is designed for recreational touring and all-around use for paddlers. Loaded with convenient features, Columbia XP are among the most popular boats. The long waterline, flat rocker and fine, piercing bow provide outstanding tracking ability and great glide to cover long distances with ease. The XP floor™ construction uses an inflatable chamber with Aquaglide proprietary X-beam Technology that mimics that of a sturdy hard shell kayak. A custom made Duratex™ hull material is blended with rugged 600d polyester for long-life and UV protection. Integrated Splash-Guards™ positioned fore and aft keep paddlers dry. Comes with sturdy molded handles for transport. Durable Core™ seats provide comfort with high backrests, plentiful mesh storage pockets, integrated fishing-rod holders and an infinite adjustment system. Fin system includes stiff, foiled performance fin with unique quick-release for easy setup. Convenient travel backpack included. Pump sold separately. Fits 2 paddlers comfortably or a solo paddler with gear capacity for longer range use.
