

OCEANER – Titanium Sea Otter 5-Finger Gloves

Our Sea Otter Gloves are designed for optimal performance. The new improved textured grip palm now wraps around the fingertips for better grip and increased wear ability.

Product Specifications

Made with titanium neoprene your hands will be even warmer! (Available in 4.5 mm and 3mm thickness). For the ultimate in wear and durability the 4.5mm titanium neoprene Sea Otter gloves are available with KEVLAR palms and wrap around finger tips.
