

OCEANER - Full One Piece Pro Suit

Oceaner designers together with input and testing from world class competitive triathletes have pulled together a solid line of triathlon swimwear. Every triathlete knows that the key to success is endurance and speed. Oceaner contributes to this success with functional design and by using only the highest grade smooth skin neoprene in presenting the ultimate in durability, warmth and mobility.

Product Specifications

*The full one piece suit adds 2mm arms to the Pro Suit.
Ideal for cooler waters where the compromise between speed and warmth leans to the latter.*
