

Storm 15

The new Storm 15 is a kayak that can do many things really well. For those small to mid-sized paddlers who are looking for a light-weight, durable, and comfortable boat that's versatile, the Storm 15 ticks all the boxes. Whether you're heading out on a long trip or a short skip across the bay, this kayak is stable, easily packable and very seaworthy. Built with our Thermocomposite ABS/Acrylic construction, this will be your favourite kayak for many years to come.

Best used for flat water, rough water, day touring, multi day touring. Sized for small to mid-sized paddlers.
